You can view the standard Summary of Benefits & Coverage (SBC) which is required by Health Care Reform. It summarizes your coverage in a format that all insurance companies now use. IMPORTANT NOTICE

This is a brief description of the Student Health Plan underwritten by Aetna Life Insurance Company (Aetna). The exact provisions governing this insurance, including definitions, are contained in the Master Policy issued to your school and may be viewed online at www.aetnastudenthealth.com. If any discrepancy exists between this Benefit Summary and the Policy, the Master Policy will govern and control the payment of benefits. For information regarding the full Master Policy, please call Aetna Student Health at (866) 378-8885 or send an email through your Aetna Navigator Account. You will be able to obtain a copy of the full Master Policy as soon as it is available.

When Coverage Begins

Coverage under the Plan once premium has been collected will become effective at 12:01 a.m. **on the later of**, but **no sooner than**:

- The Master Policy effective date;
- The beginning date of the term for which premium has been paid
- The day after the Enrollment Form (if applicable) and premium payment are received by Wells Fargo Student Insurance, Authorized Agent or University; or
- The day after the date of postmark if the Enrollment Form is mailed.

IMPORTANT NOTICE - Premiums will not be pro-rated if the Insured enrolls past the first date of coverage for which he or she is applying. Final decisions regarding coverage effective dates are made by Aetna Student Health.

The below enrollments will be allowed a **30 day** grace period from the term start date to enroll whereby the effective date will be backdated a maximum of **30 days**. No policy shall ever start prior to the term start date:

1. All hard-waiver and mandatory (insurance is required as a condition of enrollment on campus) insurance programs.
2. All re-enrollments into the same exact policy if re-enrollment occurs within **30 days** of the prior policy termination date.

When Coverage Ends

Insurance of all Insured Persons terminates at 11:59 p.m. **on the earlier of**:

- Date the Master Policy terminates for all Insured Persons; or
- End of the period of coverage for which premium has been paid; or
- Date the Insured Person ceases to be eligible for the insurance; or
- Date the Insured Person enters military service.

In the event there is overlapping coverage under the same Master Policy number, the policy with the earliest effective date will stay in force through its termination date and the subsequent policy will go into effect immediately afterward with no gap in coverage.

Dependent coverage will not be effective prior to that of the Insured Student or extend beyond that of the Insured Student.

COVERAGE IS NOT AUTOMATICALLY RENEWED. Eligible Persons must re-enroll when coverage terminates to maintain coverage. No notification of plan expiration or renewal will be sent.

Coordination of Benefits

If the Covered Person is insured under more than one group health plan, the benefits of the plan that covers the insured student will be used before those of a plan that provides coverage as a dependent. When both parents have group health plans that provide coverage as a dependent, the benefits of the plan of the parent whose birth date falls earlier in the year will be used first. The benefits available under this Plan may be coordinated with other benefits available to the Covered Person under any auto insurance, Workers' Compensation, Medicare, or other coverage. The Plan pays in accordance with the rules set forth in the Master Policy.

Extension of Benefits

If a covered person is totally disabled on the termination date of the Policy, benefits will be extended to provide covered benefits that are necessary to treat medical conditions causing or directly related to the disability as determined by Aetna.

If a Covered Person is confined to a hospital on the date his or her insurance terminates, expenses incurred after the termination date and during the continuance of that hospital confinement, shall be payable in accordance with the policy, but only while they are incurred during the **30 day** period, following such termination of insurance.

Notice

Aetna considers non-public personal member information ("NPI") confidential and has policies and procedures in place to protect the information against unlawful use and disclosure. When necessary for your care or treatment, the operation of your health Plan, or other related activities, we use NPI internally, share it with our affiliates, and disclose it to healthcare providers (doctors, dentists, pharmacies, hospitals, and other caregivers), vendors, consultants, government authorities, and their respective agents. These parties are required to keep NPI confidential as provided by applicable law. Participating Network/Preferred Care Providers are also required to give you access to your medical records within a reasonable amount of time after you make a request. To obtain a copy of our notice describing in greater detail our practices concerning use and disclosure of NPI, please call the toll-free Customer Services number on your ID card or visit Aetna Student Health on the internet at: www.aetnastudenthealth.com.

Coverage is available for students engaged in "Practical Training". Enrollment must be accompanied by confirmation of Practical Training from the insured student in the form of a copy of your EAD (OPT coverage is available for the first 12 months of OPT only). Contact Wells Fargo Student Insurance for more details. (A person who is an immigrant or permanent resident alien is not eligible for coverage under the international plan.)

To be an Insured Person under the Policy:

- the student must have paid the required premium;
- the student's name, student number and date of birth must have been included in the declaration made by the School or the Administrative Agent to the Insurer; and
- the student must actively attend classes on campus for **45 consecutive days** following the effective date for the term purchased and/or pursuant to the student's visa requirements for the period for which coverage is purchased, with the exception of school-authorized breaks. A once-per-lifetime exception may be made in cases of a student's medical withdrawal, when approved by the school and any applicable regulatory authority.

Aetna and Wells Fargo Student Insurance maintain the right to investigate student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever Aetna and/or Wells Fargo Student Insurance discover that the Policy eligibility requirements have not been met, the only obligation is a pro-rata refund of premium.

Eligible students who involuntarily lose coverage under another group insurance plan are also eligible to purchase the Student Health Insurance Plan within **30 days** of loss of coverage. These students must provide Wells Fargo Student Insurance with proof that they have lost insurance through another group (certificate and letter of ineligibility) within **30 days** of the qualifying event. The effective date would be the later of: a) term effective date, or b) the day after prior coverage ends if enrollment request is received by Wells Fargo Student Insurance within **30 days** from loss of prior coverage. For questions regarding eligibility for this plan, please call Wells Fargo Student Insurance at **1-800-853-5899**.

Coverage for Dependents

Note: dependent enrollment in this plan is on a voluntary basis. Eligible Insured Students may also purchase Dependent coverage at the time of student's enrollment in the plan; or within **31 days** of one of the following qualified events: marriage, addition of domestic partner, birth, adoption or arrival in the U.S. Eligible dependents are the spouse or legally registered and valid domestic partner who resides with the Insured Student and the student's, the spouse's, or the domestic partner's natural child, stepchild or legally adopted child under 26 years of age. Dependents of an Eligible International student or visiting faculty member must possess a valid passport and a proper visa (F-2, J-2, or M-2). A "Newborn" will automatically be covered for preventive care; injury; sickness; premature birth; medically diagnosed congenital defects; and birth abnormalities from birth until 31 days old, providing that the student is covered under this plan. Coverage may be continued for that child when Wells Fargo Student Insurance is notified in writing within **31 days** from the date of birth and by payment of any additional premium.

- Dependents must be enrolled for the same term of coverage for which the Insured Student enrolls.
- Dependent coverage expires concurrently with that of the Insured Student, and Dependents must re-enroll when coverage terminates to maintain coverage.

Premium Refund/Cancellation

Refund requests should be directed to Wells Fargo Student Insurance at **(800) 853-5899** or via email at studentinsurance@wellsfargo.com.

A refund of premium will be granted for the reasons listed below only. No other refunds will be granted.

1. If you withdraw from school within the first **45 days** of the coverage period, you and your insured dependents will receive a full refund of the insurance premium provided that you and your insured dependents did not file a medical claim during this period. Written proof of withdrawal from the school must be provided. If you withdraw after **45 days** of the coverage period, your and your insured dependents coverage will remain in effect until the end of the term for which you have paid the premium.
2. If you or your insured dependents enter the armed forces of any country you and your insured dependents will not be covered under the Master Policy as of the date of such entry. If you enter the armed forces the policy will be cancelled. If your dependent enters the armed forces, a pro-rata refund of premium will be made for such person, upon written request received by Wells Fargo Student Insurance within **45 days** of entry into service.
3. Refunds will be granted for insured dependents in case of a qualifying event such as legal separation, divorce or death within **31 days** of the occurred event, provided that your insured dependents did not file a medical claim during the insured period. Written proof of such qualifying event must be submitted. Refunds will not be prorated.

INSURANCE PAYMENTS WITH PERSONAL CHECK

(Note: personal checks are not always a payment option. Please check your school's enrollment form for available payment options.) If you make your or your dependents' insurance payment via personal check payable to Wells Fargo Insurance and we are unable to process the check (due to insufficient funds, closure of account, etc.), your and your dependents insurance coverage will be terminated retroactive to the effective date of the enrolled term.

Where Do I Go For Care?

When you need care, consider **Student Health Services (SHS)** on your campus as your first stop. They can provide many of the routine health services you need. Services obtained at the SHS are reimbursed at the Preferred Care rate. A SHS referral is not required, and it does not guarantee services received will be considered eligible expenses under the plan, nor is it a guarantee of payment. You may visit any licensed health care provider directly for covered services, except for specific Plan restrictions on certain services. However, when you visit a Preferred Care Provider, you'll generally have less out of pocket expense for your care. To learn more about Preferred Care Providers, visit www.aetnastudenthealth.com.

Insured dependents are not eligible to use the SHS. The benefits listed in the Schedule of Benefits are available to the insured dependents.

**Providers are independent contractors and are not agents of Aetna. Provider participation may change without notice. Aetna does not provide care or guarantee access to health services.*

Preferred Care Provider Network

Aetna Student Health has arranged for you to access the Aetna Preferred Care Provider network. It is to your advantage to utilize a Preferred Care Provider because savings can be achieved from the Negotiated Charges these providers have agreed to accept as payment for their services. Students are responsible for informing their Physicians of potential out-of-pocket expenses for a referral to both a Preferred Care Provider and a Non-Preferred Care Provider. Preferred Care Providers are independent contractors and are neither employees nor agents of the California State University system nor Aetna Student Health. To find a Preferred Care Provider, you can use Aetna's online DocFind® service located at www.aetnastudenthealth.com. Click on "Find Your School" and enter your school name. You can use DocFind® to find out whether a specific provider belongs to Aetna's network or to find Preferred Care Providers practicing in your area.

If a service or supply that a covered person needs is covered under the Plan but not available from a Preferred Care Provider, covered persons should contact Member Services for assistance at the toll-free number on the back of the ID card. In this situation, Aetna may issue a pre-approval for a covered person to obtain the service or supply from a Non-Preferred Care Provider. When a pre-approval is issued by Aetna, covered medical expenses are reimbursed at the Preferred Care network level of benefits.

Prescription Drug Claim Procedure

When obtaining a covered prescription, please present your ID card to a Preferred Pharmacy, along with your applicable copay. The pharmacy will bill Aetna for the cost of the drug, plus a dispensing fee, less the copay amount. When you need to fill a prescription, and do not have your ID card with you, you may obtain your prescription from an Aetna Preferred Pharmacy, and be reimbursed by submitting a completed Aetna Prescription Drug claim form. You will be reimbursed for covered medications, less your copay.

For an Aetna Prescription claim form go to www.aetnastudenthealth.com. Find your school, then click "Prescription" to obtain an RX claim form. Or call **(877) 378-8885**.

Prescriptions from a Non-Preferred Pharmacy, or a health center pharmacy incapable of billing, must be paid for in full at the time of service and submitted for reimbursement.

Informed Health Line

The Informed Health Line is a 24-hours-a-day, 7-days-a-week toll-free line for insured students to access confidential medical advice, or get assistance with locating nearby preferred network providers. Just call **(800) 556-1555** to talk to a registered nurse who can provide information on a range of topics. Callers must be enrolled in the Student Health Insurance Plan in order to be eligible to utilize the Informed Health Line.

Electronic ID Cards

Providers need your Member ID# from your card to identify you, verify your coverage, and bill Aetna Life Insurance Company. You do not have to have your member ID card with you to be eligible to receive benefits; if you need medical attention but do not have access to your card, benefits will still be payable according to the Policy.

To access your Member ID Card, go to www.aetnastudenthealth.com, search for your school name, and click "Print your ID card" to view and/or print a temporary Medical ID card that contains your Medical ID number. **Note: you will need your Student ID number to log in.**

You may also use the Aetna Mobile App to view your member ID card, find a doctor, check your benefits, and more. First, log in to www.aetnastudenthealth.com and create your Aetna Navigator® account. Next, download the Aetna Mobile App to your mobile device and log in using your Medical ID number (obtained from Aetna's website, see instructions above).

Technical assistance for the Aetna website and Mobile App is available toll free, Monday through Friday, from 8:30 a.m. to 5:30 p.m. local time at **(866) 378-8885**.

IMPORTANT: Pre-certification Program

Your Plan requires pre-certification for a hospital stay. Pre-certification simply means calling Aetna Student Health prior to treatment to get approval for a medical procedure or service. Pre-certification may be done by you, your doctor, the hospital, or one of your relatives. The pre-certification process can be initiated by calling Aetna at the telephone number listed on your ID card.

- If you do not get pre-certification for non-emergency inpatient admissions, or give notification for emergency admissions from a non-preferred provider, your covered medical expenses will be subject to a **\$500 per admission Deductible**.
- If you do not secure pre-certification for the below listed covered medical services and supplies obtained from a non-preferred provider your covered medical expenses may be subject to a **\$500 per service, treatment, procedure, visit, or supply benefit reduction**

You'll need pre-certification for the following inpatient services:

- All inpatient admissions, including length of stay, to a hospital, skilled nursing facility, a facility established primarily for the treatment of substance abuse, or a residential treatment facility;
- All inpatient maternity care, after the initial 48 hours for a vaginal delivery or 96 hours for a cesarean section;
- All partial hospitalization in a hospital, residential treatment facility, or facility established primarily for the treatment of substance abuse.

Pre-certification does not guarantee the payment of benefits for your inpatient admission. Each claim is subject to medical policy review, in accordance with the exclusions and limitations contained in the Policy, as well as a review of eligibility, adherence to notification guidelines, and benefit coverage under the student Accident and Sickness Plan.

Definitions (continued)

Preferred Care Provider: A health care provider that has contracted to furnish services or supplies for a negotiated charge, but only if the provider is, with Aetna's consent, included in the directory as a Preferred Care Provider for:

- the service or supply involved, and
- the class of covered persons of which you are member.

Preferred Pharmacy: A pharmacy, including a mail order pharmacy, which is party to a contract with Aetna to dispense drugs to persons covered under this Policy, but only:

- while the contract remains in effect, and
- while such a pharmacy dispenses a prescription drug, under the terms of its contract with Aetna.

Prescription: An order of a prescriber for a prescription drug. If it is an oral order, it must be promptly put in writing by the pharmacy.

Recognized Charge: Only that part of a charge which is recognized is covered. The recognized charge for a service or supply is the lowest of:

- The provider's usual charge for furnishing it, and
- The charge Aetna determines to be appropriate, based on factors such as the cost of providing the same or a similar service or supply and the manner in which charges for the service or supply are made, and

- The charge Aetna determines to be the prevailing charge level made for it in the geographic area where it is furnished.

In some circumstances, Aetna may have an agreement, either directly or indirectly through a third party, with a provider which sets the rate that Aetna will pay for a service or supply. In these instances, in spite of the methodology described above, the recognized charge is the rate established in such agreement.

In determining the recognized charge for a service or supply that is:

- Unusual, or
- Not often provided in the area, or
- Provided by only a small number of providers in the area.

Aetna may take into account factors, such as:

- The complexity,
- The degree of skill needed,
- The type of specialty of the provider,
- The range of services or supplies provided by a facility, and
- The prevailing charge in other areas.
